
"CHASE HOODLUMS; PADLOCK PLAYERS' MOUTHS"

How Well-Known Sporting Editors Would Prevent Future Disturbances in Baseball Like the Ty Cobb Case and the Detroit Team's Strike.

(Editor's Note—Ty Cobb's assault on an insulting spectator, Ty's subsequent suspension and the strike of his teammates on the Detroit club almost resulted in a catastrophe to baseball. Perhaps the end is not yet. Be that as it may, what shall be done to prevent such trouble in the future? The editor of The Day Book asked a number of prominent sporting editors in major league cities for their opinions, with the following result:)

What organized baseball needs today.

The press can do more to discourage hoodlumism than any other influence by encouraging a more sportsmanlike attitude. Now the question of protection

has been raised by the players, they should be glad to help, by refraining from vulgar language themselves.

Organized baseball should ask
